

Steps to Create a TASN ATBS Moodle Account

Step1: Go to moodle.tasnatbs.org and click on “Log In” in upper right-hand corner.

The screenshot shows the homepage of the TASN ATBS Moodle website. The browser address bar displays moodle.tasnatbs.org. The page features a blue header with the TASN logo (a sun icon next to the text 'TASN') on the left and a search bar labeled 'Search courses' on the right. Below the header is a 'HOME' link. The main content area is a collage of eight photographs showing various educational and support activities: a child playing with blocks, a group of people in a meeting, children at a table, a woman with a child, a woman with a child, a group of people in a meeting, a woman with a child, and a child with a woman. Overlaid on this collage is the text 'KSDE Technical Assistance System Network' in large white letters. Below the collage, the text 'TASN ATBS' is displayed in red, followed by 'TASN Autism and Tertiary Behavior Supports team.' in smaller black text. At the bottom, there is a 'New courses' section with four icons: two people with blocks, a group of people, a school building, and a large letter 'D'. On the right side, there is a 'Navigation' menu with links for 'Home' and 'Courses'.

Hi! For full access to courses you'll need to take a minute to create a new account for yourself on this web site. Each of the individual courses may also have a one-time "enrollment key", which you won't need until later. Here are the steps:

1. Fill out the [New Account](#) form with your details.
2. An email will be immediately sent to your email address.
3. Read your email, and click on the web link it contains.
4. Your account will be confirmed and you will be logged in.
5. Now, select the course you want to participate in.
6. If you are prompted for an "enrollment key" - use the one that your teacher has given you. This will "enroll" you in the course.
7. You can now access the full course. From now on you will only need to enter your personal username and password (in the form on this page) to log in and access any course you have enrolled in.
