# Group Growth Report

- Highlights rate of improvement between two screening intervals.
- Ensures that all students are making progress towards EOY benchmarks.

## Color Coding

Flat Growth	15th percentile & below
Modest Growth	Between 15th and 40th percentile
Typical Growth	Between 40th and 75th percentile
Aggressive Growth	About 75th percentile and above

---

# Who can use the Group Growth Report?

- **District Leaders** - to look at growth per building and per grade level at each building
- **Building Leaders** - to look at growth per grade level and per classroom in their building
- **Teachers** - to look at growth per student in their classroom

# Regardless of starting point, this report evaluates growth over time.

### Group Growth Report

Scores of All Students in Group By Normative Categories: 21%, 19%, 9%, 44%, 46%, 23%, 21%

Growth of All Students in Group By Normative Categories: 25%, 40%, 12%, 21%

Report's Use:  
Goals for All Students: Effective practices ensure that all students progress toward well-defined End of Year (EOY) learning goals. Set the EOY Goal. Compare the Progress with the EOY Goal and Benchmarks.  
Did the Group Improve? Changes to risk status (for left) and rates of improvement (see left) are graphed after the second screening period.

## Unlocking FastBridge Reports & Assessments

Kansas MTSS & Alignment

After administering FastBridge assessments, you now have an immense amount of data at your fingertips - so now what? Which reports yield the information you need to effectively plan for instruction at the class level, as well as for the unique needs of individual students? The Kansas MTSS & Alignment content teams have created quick video tutorials to provide a step-by-step walk-thru of each available FastBridge report to help you analyze and plan instruction to meet the needs of each student. Drill down into content-specific assistance in test administration and report navigation using the links to the upper left.
