

# How well do we **engage families** in their **children's learning?**

**DistrictTools.org** is a free resource that Kansas school districts can use to administer the *Family Engagement Survey* (Noonan, Gaumer Erickson, & Groff, 2015).

This brief, 15-item survey is aligned with the PTA National Family School Partnership Standards. Survey items are grouped into **five key categories** addressing the PTA standards:

- Welcoming All Families into the School Community
- Communicating Effectively
- Supporting Student Success
- Sharing Power and Speaking Up for Every Child
- Collaborating with the Community

The website homepage includes complete instructions for administering the *Family Engagement Survey* and viewing real-time summaries.

Results are graphed automatically and PDF reports of both district-level and building-level data are available for download.

Participant responses are confidential and your district/building-level results will not be shared with anyone other than users that you invite to view your district dashboard.
