

Staying safe on field trips

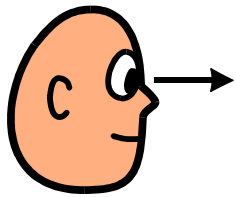

Field trips can be very fun with many places to explore. It is important to follow the rules on field trips in order to stay safe.

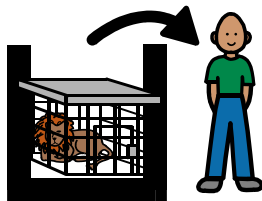

Yes, we can stay safe by:

looking with our eyes

staying out of cage

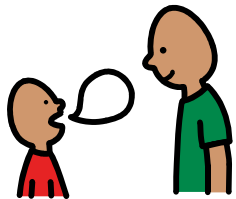

talking about what we need

taking a break

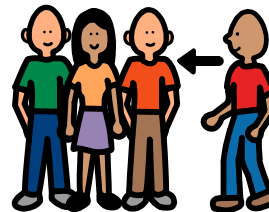

telling a teacher where we are going

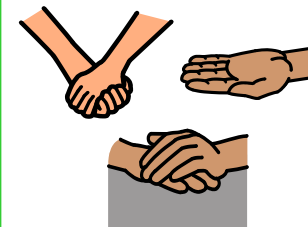

listening to teachers

staying with the group

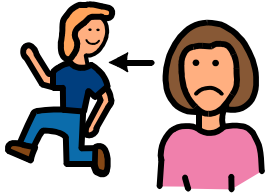

having gentle hands

No, we are not safe when we:

run away from teachers

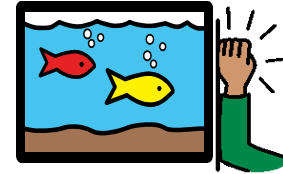

get in the cage

climb

bang on the tank

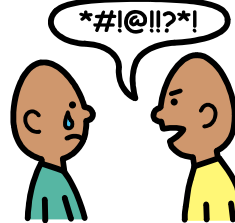

not listen

hit

yell or scream

play tag or run
