**Activity Ideas:**

- Provide an array of digital pictures of students in your classroom. See if your students can select their own pictures out of the set.
- Provide newspaper grocery ads, department store ads, google images, or, BoardMaker pictures for the student to cut out, or, to make a choice of his/her likes/dislikes.

\*BoardMaker is a software program by Mayer-Johnson. It is a design program that lets you make and adapt curriculum materials for students who need symbols.
