<https://www.abaresources.com/social-stories/>

Stories range from booklet stories with one idea per page to one page with paragraphs. These cover topics such as communication, friendships, going places, behavioral challenges, school related activities, manners, safety, teaching about boundaries, emotional regulation, self-care and advanced learners.

<https://www.iidc.indiana.edu/irca/resources/visual-supports/behavior-and-emotions.html>

One-page narratives that include a series of pictures with sentences to explain each visual. Topics include anger management, grief, Incredible 5 Point Scale and a social narrative about winning and losing games.

<https://www.andnextcomesl.com/p/printable-social-stories.html>

Social narratives with good quality, real pictures. You must type your name and email address to download them, but you don't have to go to your email to receive them. It opens on the page once you type your name and email.

<http://www.kansasasd.com/socialnarratives.php>

Many social narrative ranging from an airplane ride to working quietly and many in between! Files are in pdf, boardmaker, word or powerpoint. Lots of variety available!

<https://www.ttsdschools.org/Page/8844>
